Part I: Company Foundation

1. Company Overview

1.1 Company Identity

Legal Name: Crave'n Inc.
DBA: Crave'N, Crave'n Delivery
Tagline: "Your Local Food Delivery Partner"
Founded: 2025
Headquarters: Distributed operations across 100+ cities nationwide
Website: cravenusa.com
Executive Subdomains:

- coo.cravenusa.com (Chief Operating Officer)
- cto.cravenusa.com (Chief Technology Officer)
- cfo.cravenusa.com (Chief Financial Officer)
- ceo.cravenusa.com (Chief Executive Officer)
- hq.cravenusa.com (Headquarters/Main Hub)

1.2 Company Description

Crave'n Inc. is a next-generation food delivery platform built on the principle: "**When local businesses succeed, entire communities benefit.**" We are redefining the delivery landscape by prioritizing fairness, transparency, and sustainable growth for restaurants, drivers, and customers.

1.3 Core Business Model

Crave'n operates a three-sided marketplace connecting:

- **Cravers** (customers) seeking convenient food delivery
- **Merchants** (restaurants) wanting to expand their reach
- **Feeders** (drivers) looking for flexible earning opportunities

1.4 Key Differentiators

1. **Fair Commission Structure** - Automatic tier reductions as restaurants grow
 2. **Community-First Approach** - Supporting local businesses over corporate chains
 3. **Advanced Technology** - AI-powered routing, real-time analytics, enterprise-grade systems
 4. **Transparent Economics** - Clear, upfront costs for all parties
 5. **Better Driver Support** - Competitive pay with flexible scheduling
 6. **Comprehensive Programs** - Internship pathways, referral systems, tier benefits
-

2. Mission, Vision & Values

2.1 Mission Statement

To revolutionize food delivery by creating a platform that benefits everyone: customers get their favorite meals quickly and affordably, restaurants reach new customers and grow their business, and drivers earn good money with flexible schedules.

2.2 Vision Statement

To become the most trusted and beloved food delivery platform, known for exceptional service, innovative technology, and unwavering commitment to the communities we serve. We envision a world where great food is always within reach.

2.3 Core Values

Customer First

Every decision is centered around creating the best possible experience for our customers (Cravers).

Speed & Reliability

We leverage technology to ensure fast, accurate deliveries that customers can count on every time.

Community Focus

We believe in supporting local restaurants and creating opportunities for drivers in every community.

Quality Excellence

From our platform to our partnerships, we maintain the highest standards in everything we do.

Fairness & Transparency

We operate with clear, upfront pricing and fair treatment for all stakeholders.

 Sustainable Growth

We prioritize long-term relationships and sustainable business practices over short-term gains.

3. Organizational Structure

3.1 Executive Leadership

Founder & CEO: Torrance Stroman

Visionary entrepreneur with a passion for revolutionizing food delivery and supporting local communities.

3.2 Executive Command Centers

CEO Portal

- Strategic planning and vision
- Personnel management
- Financial approvals
- Equity ownership tracking
- Company metrics dashboard
- Employee management system

CFO Financial Portal

- Budget management
- Accounts payable/receivable
- Treasury management
- Procurement system
- Financial forecasting and analysis
- Payment processing oversight

COO Operations Portal

- Fleet management
- Vendor relations
- Compliance tracking
- Operations analytics
- Supply chain management
- Daily operations oversight

CTO Technology Portal

- Infrastructure health monitoring
- Incident response system
- Security audits
- IT asset management

- System performance tracking
- Technology roadmap

Board Executive Portal

- Communications hub
- Financial dashboards
- Document vault
- Meeting management
- Governance oversight

3.3 Key Departments

- **Operations** - Day-to-day delivery operations, driver management
- **Technology** - Platform development, infrastructure, security
- **Finance** - Accounting, payments, payouts, financial planning
- **Marketing** - Customer acquisition, brand management, campaigns
- **Human Resources** - Employee management, intern programs, hiring
- **Legal/Compliance** - Regulatory compliance, contracts, risk management
- **Customer Support** - Customer service, driver support, merchant support

4. Company Statistics

4.1 Current Metrics (As of January 2025)

Metric	Value
Active Cravers (Customers)	20,000+
Restaurant Partners	5,000+
Feeders (Drivers)	1,000+
Cities Served	100+
CraveMore Members	Growing rapidly
Daily Orders	Thousands
Platform Availability	24/7

4.2 Growth Trajectory

- **2025 - The Beginning:** Founded with mission to make food delivery faster, more reliable, and affordable
- **2025 - Rapid Growth:** Expanded to 100+ cities, onboarded 5,000+ restaurant partners
- **2025 - Platform Innovation:** Launched AI-powered routing, real-time tracking, 1,000+ driver network
- **2025 - Community Impact:** Reached 20K active users, introduced driver benefits, award-winning support

Part II: Core Stakeholders

5. Cravers (Customers)

5.1 Who Are Cravers?

Cravers are the customers who use Crave'n to order food for delivery or pickup. They are the lifeblood of the platform and our primary focus.

5.2 Customer Experience Journey

5.2.1 Discovery & Registration

1. Customer discovers Crave'n through:

- Website (cravenusa.com)
- Mobile app (iOS/Android)
- Word of mouth
- Marketing campaigns
- Restaurant partnerships

2. Registration Options:

- **Guest Checkout** - Order without account (limited features)
- **Account Creation** - Full access to all features
 - Email and password
 - Phone verification (optional but recommended)
 - Profile setup

5.2.2 Ordering Process

See [Section 9: Ordering Process](#) for complete details.

5.2.3 Post-Order Experience

- Real-time order tracking
- Driver assignment notifications
- Delivery updates
- Order completion confirmation
- Rating and review system
- Reorder functionality

5.3 Customer Features

Standard Features (All Customers)

- Browse restaurants by cuisine, location, rating
- Filter by delivery time, price range, dietary restrictions
- View detailed menus with prices, descriptions, images

- Customize orders (modifiers, special instructions)
- Multiple payment methods (card, ACH "Pay by Bank")
- Save favorite restaurants
- Order history
- Reorder previous orders
- Real-time order tracking
- Customer support chat

CraveMore Member Features

See [Section 8: CraveMore Membership Program](#)

5.4 Customer Support

Support Channels

1. **In-App Chat** - Real-time support through customer dashboard
2. **Help Center** - Self-service knowledge base
3. **Contact Form** - Email support for complex issues
4. **Phone Support** - Available for CraveMore members (priority)

Support Categories

- Order Issues (missing items, wrong order, quality concerns)
- Payment Problems (refunds, charges, payment methods)
- Account Management (password reset, profile updates)
- Technical Support (app issues, website problems)
- General Inquiries

Response Times

- **CraveMore Members:** Priority support, typically < 1 hour
- **Standard Customers:** Within 24 hours
- **Urgent Issues:** Escalated immediately

5.5 Customer Account Management

Profile Information

- Name, email, phone number
- Delivery addresses (multiple saved)
- Payment methods (saved securely)
- Dietary preferences
- Favorite restaurants
- Order history

Privacy & Security

- Secure authentication

- Encrypted payment information
 - Privacy policy compliance
 - Data protection measures
 - Account activity monitoring
-

6. Feeders (Drivers)

6.1 Who Are Feeders?

Feeders are independent contractor delivery drivers who use the Crave'n platform to earn money by delivering food orders to customers. They are called "Feeders" to emphasize their role in "feeding" the community.

6.2 Feeder Onboarding Process

6.2.1 Application Process

Step 1: Initial Application

- Navigate to </feeder> or feeder.cravenusa.com
- Click "Apply to Become a Feeder"
- Create account (email, password)
- Basic information (name, phone, date of birth)

Step 2: Address & Location

- Street address
- City, state, ZIP code
- Service area selection

Step 3: Vehicle & License Information

- Vehicle type (car, bike, scooter, motorcycle, walking)
- Vehicle make, model, year, color
- License plate number
- Driver's license number
- License state
- License expiration date

Step 4: Background Check Authorization

- Last 4 digits of SSN
- Banking information (for payouts)
- Background check consent
- Criminal history consent
- Facial image consent
- Electronic 1099 consent

Step 5: Document Upload

- Driver's license (front and back photos)
- Vehicle insurance document
- Vehicle registration
- Profile photo (optional)

Step 6: Review & Submit

- Review all information
- Accept Independent Contractor Agreement
- Accept Privacy Policy
- Submit application

6.2.2 Waitlist System

Purpose: Collect verified driver applications before launching in a market, controlling costs by delaying background checks until routes are ready.

How It Works:

1. Driver completes full application (feels like immediate onboarding)
2. After submission, driver learns they're on waitlist
3. Status set to **waitlist** in database
4. Waitlist position calculated by city/state
5. Background check NOT initiated (saves \$30-40 per driver)
6. Driver receives confirmation email with position number

Waitlist Reveal Experience:

- Full-screen success modal appears
- "You're on the List! 🎉" message
- Shows waitlist position (e.g., "#47 in Toledo")
- Estimated wait time (2-8 weeks)
- What happens next explanation
- Confirmation email sent automatically

Activation Process:

- Admin selects city/region for launch
- System suggests drivers from that area (sorted by position)
- Admin filters by vehicle type, application date, document status
- Admin sends activation invites
- Confirmation shows cost estimate (background checks)
- Activation email sent to selected drivers
- Background check initiated upon acceptance
- Driver completes onboarding tasks
- Driver activated and can start delivering

6.2.3 Onboarding Tasks

Once activated, drivers must complete onboarding tasks:

1. Complete Profile Setup (25 points)

- Fill out all required profile information
- Verify details

2. Upload Vehicle Photos (30 points)

- Take clear photos from multiple angles
- Upload to system

3. Pass Safety Quiz (50 points)

- Complete driver safety quiz
- Passing score: 80% or higher

4. Setup CashApp Payouts (35 points)

- Connect CashApp account
- Enable instant payout processing

5. Download Mobile App (20 points)

- Download Crave'n delivery mobile app
- Log in successfully

6. Complete First Practice Route (25 points)

- Complete practice delivery route
- Familiarize with app interface

7. Join Driver Facebook Group (15 points)

- Join exclusive driver community
- Access tips and support

8. Complete Customer Service Training (30 points)

- Watch training videos
- Pass assessment

9. Social Media Share (10 points)

- Share about joining Crave'n
- Post on social media accounts

Total Points Available: 240 points

6.3 Feeder Requirements

Minimum Requirements

- **Age:** At least 18 years old
- **License:** Valid driver's license (if using vehicle)

- **Vehicle:** Car, bike, scooter, motorcycle, or ability to walk
- **Background Check:** Must pass background check (initiated upon activation)
- **Smartphone:** iOS or Android device with app capability
- **Banking:** Bank account or CashApp for payouts

Vehicle Requirements

- Valid registration
- Current insurance
- Vehicle in good working condition
- Clean vehicle (professional appearance)

6.4 Feeder Earnings

Earnings Structure

Base Pay:

- 70% of delivery fee charged to customer
- Example: \$4.49 delivery fee = \$3.14 base pay to driver

Tips:

- 100% of customer tips go to driver
- Tips are in addition to base pay
- Average tip: \$3-7 per delivery

Earnings Potential:

Time Period	Hours	Average Rate
Lunch Rush	11:30 AM - 1:30 PM	\$18-25/hour
Dinner Rush	5:30 PM - 8:30 PM	\$20-28/hour
Weekend Peak	Fri-Sun Evenings	\$22-30/hour
Average (Peak Times)	Varies	\$15-25/hour

Factors Affecting Earnings:

- Number of deliveries completed
- Tips received
- Peak hour multipliers
- Distance traveled
- Time of day/day of week

Payout Schedule

Daily Automatic Payouts:

- Earnings from previous day

- Processed automatically each morning
- Deposited via ACH (next-day) or instant methods
- No minimum threshold

Instant Cashout:

- Available for drivers with CashApp or instant payout methods
- Small fee may apply
- Immediate access to earnings

6.5 Feeder Workflow

See [Section 10: Feeder Workflow](#) for complete operational details.

6.6 Feeder Support

Support Channels

1. **Driver Support Chat** - Real-time iMessage-style chat
 - Access: Mobile app → Hamburger menu → Help 
 - Categories: Order, Earnings, App, Navigation, Ratings, General
 - Response time: Typically < 5 minutes during business hours
2. **Help Center** - Self-service resources
3. **Facebook Driver Group** - Community support
4. **Email Support** - For complex issues

Support Categories

- **Order Issues** - Problems with pickup, delivery, customer interaction
- **Earnings** - Questions about pay, tips, payouts
- **App Issues** - Technical problems, bugs, navigation
- **Navigation** - Route finding, address issues
- **Ratings** - Customer ratings, performance concerns
- **General** - Other questions or concerns

6.7 Feeder Benefits

- ☒ Keep 100% of customer tips
- ☒ Instant cashout available
- ☒ Daily automatic payouts
- ☒ Flexible hours (work when you want)
- ☒ Easy sign-up process
- ☒ Professional onboarding experience
- ☒ Background check deferral (cost savings)
- ☒ Support community (Facebook group)
- ☒ Performance tracking and analytics

- ☒ Referral bonuses (see Section 14)

6.8 Feeder Performance & Ratings

Customer Ratings

- Customers rate drivers after each delivery (1-5 stars)
- Ratings affect:
 - Driver visibility for order assignment
 - Access to premium features
 - Referral program eligibility

Performance Metrics

- Delivery completion rate
- On-time delivery percentage
- Customer rating average
- Response time to orders
- Cancellation rate

Consequences of Poor Performance

- Warning notifications
 - Temporary suspension
 - Required retraining
 - Permanent deactivation (extreme cases)
-

7. Merchants (Restaurants)

7.1 Who Are Merchants?

Merchants are restaurant partners who use Crave'n to reach new customers and grow their business through delivery and pickup orders.

7.2 Merchant Onboarding Process

See [CRAVEN_MOOV_MERCHANT_ONBOARDING_PROCESS.md](#) for complete details.

Quick Overview:

Phase 1: Registration (5-10 minutes)

- Create account
- Email verification
- Redirected to onboarding wizard

Phase 2: Onboarding Wizard (30-60 minutes)

- Step 1: Order Method Selection

- Step 2: Store Hours Configuration
- Step 3: Menu Setup
- Step 4: Pricing Plan Selection
- Step 5: Banking/Payout Information (Basic Info Collection)

Phase 3: Admin Review (1-3 business days)

- Business information verification
- Document review (license, insurance, health permit)
- Menu approval
- Admin approval/rejection

Phase 4: Moov Payment Setup (10-15 minutes)

- Access Moov onboarding from Merchant Portal
- Complete Moov hosted onboarding form
- Secure payment account setup
- Return to portal with verified account

Phase 5: Activation (Immediate)

- All requirements met
- Restaurant activated
- Can accept orders

Total Estimated Time: 2-4 business days

7.3 Merchant Requirements

Business Requirements

- Valid business license
- Health permit (if required by jurisdiction)
- Business insurance
- Tax ID/EIN
- Bank account for payouts

Operational Requirements

- Operating hours configured
- Menu items and pricing set up
- Contact information verified
- Moov payment account complete

7.4 Merchant Commission & Fees

See [Section 15: Tier Programs & Commission System](#) for complete details.

Quick Overview:**5-Tier Performance System:**

- **Bronze** 🥉: 18% commission (\$0-\$10k/month)
- **Silver** 🥈: 15% commission (\$10k-\$50k/month)
- **Gold** 🥇: 12% commission (\$50k-\$100k/month)
- **Platinum** 💎: 10% commission (\$100k-\$250k/month)
- **Elite** 🏆: 8% commission (\$250k+/month)

Automatic Tier Upgrades:

- Based on rolling 30-day order volume
- Upgrades at start of next billing cycle
- No action required from restaurant

Custom Overrides:

- Individual restaurant negotiations
- Temporary promotional rates
- Enterprise contract rates
- Set by admin with reason/notes

7.5 Merchant Workflow

See [Section 11: Merchant Workflow](#) for complete operational details.

7.6 Merchant Features

Order Management

- Real-time order notifications
- Order acceptance/rejection
- Order status updates
- Order history and analytics
- Print receipts
- Kitchen display integration (future)

Menu Management

- Add/edit/remove menu items
- Category organization
- Pricing updates
- Item availability toggle
- Special instructions
- Modifier groups
- Image uploads

Analytics & Reporting

- Sales reports (daily, weekly, monthly)
- Order volume trends
- Revenue breakdown

- Commission tracking
- Customer insights
- Performance metrics

Marketing Tools

- Promotional campaigns
- Discount codes
- Featured placement (tier-based)
- CraveMore member access
- Customer communication

Financial Management

- Payout tracking
- Commission statements
- Revenue reports
- Tax documentation
- Financial analytics

7.7 Merchant Support

Support Channels

1. **Merchant Portal** - In-app support chat
2. **Email Support** - merchant-support@cravenusa.com
3. **Phone Support** - Available for higher tiers
4. **Dedicated Account Manager** - Platinum and Elite tiers

Support Levels by Tier

- **Bronze:** Email support
- **Silver:** Priority email support
- **Gold:** 24/7 support
- **Platinum:** Dedicated account manager
- **Elite:** Executive support

7.8 Merchant Benefits

All Tiers

- Access to CraveMore members (30% increase in earnings typically)
- Online ordering (commission-free on restaurant's own website)
- Real-time order management
- Analytics and reporting
- Marketing support

Tier-Specific Benefits

- **Silver+:** Featured placement, advanced analytics
- **Gold+:** Homepage featured, free monthly promo
- **Platinum+:** Custom reports, priority placement, 2 free monthly promos
- **Elite:** Exclusive partnerships, unlimited promos, negotiable terms

Special Programs

- **6-Month Order Guarantee** (Premier tier)
 - If restaurant receives fewer than 20 orders in any of first 6 months
 - Full commission refund for that month

8. CraveMore Membership Program

8.1 What is CraveMore?

CraveMore is Crave'n's premium membership program, similar to DoorDash DashPass or Uber Eats Pass. It provides members with exclusive benefits including zero delivery fees, lower service fees, and special discounts.

8.2 Membership Pricing

Plan	Price	Period	Equivalent Monthly	Savings
Monthly	\$8.99	per month	\$8.99/month	-
Annual	\$90.00	per year	\$7.50/month	Save \$17.88/year
Lifetime	\$249.00	one-time	N/A	Limited to first 1,000 customers

Auto-Renewal:

- Monthly plan: Auto-renews monthly
- Annual plan: Auto-renews annually
- Lifetime: One-time payment, no renewal

Cancellation:

- Cancel anytime
- No contracts or penalties
- Access continues until end of billing period

8.3 Membership Benefits

Core Benefits (All Plans)

1. **Zero Delivery Fees**
 - \$0 delivery fees at all partner restaurants
 - No distance-based charges
 - Applies to all eligible orders

2. **Lower Service Fees**

- Reduced service fees on orders
- Typically 5-7% instead of standard 10%
- Applies to orders over minimum subtotal

3. **5% CraveMore Credits Back**

- On pickup orders (not delivery)
- Credits applied to account
- Can be used on future orders

4. **Access to On-Demand Grocery Delivery**

- Expanded delivery options
- Grocery store partnerships
- Same-day delivery available

5. **Member-Only Exclusive Offers**

- Special discounts and promotions
- Restaurant-specific deals
- Limited-time offers

6. **Priority Customer Support**

- Faster response times (< 1 hour typically)
- Dedicated support channel
- Phone support access

7. **Exclusive Early Access**

- New restaurants before general public
- Beta features and updates
- Special event access

8. **Special Member-Only Discounts**

- Additional savings beyond standard offers
- Stackable with other promotions
- Regular member appreciation deals

8.4 Membership Management

Signing Up

1. Navigate to CraveMore page or checkout
2. Select plan (Monthly, Annual, or Lifetime)
3. Enter payment information
4. Confirm subscription
5. Instant activation

Managing Membership

- View membership status in customer dashboard
- Update payment method
- Change plan (upgrade/downgrade)
- Cancel membership
- View billing history

Membership Status

- **Active:** Full access to all benefits
- **Expired:** Benefits suspended, can renew
- **Cancelled:** Access until end of billing period
- **Lifetime:** Permanent access

8.5 Value Proposition

For Customers

- **Savings:** Typically save \$5-15 per order on delivery and service fees
- **Convenience:** No delivery fees means more frequent ordering
- **Exclusivity:** Access to special offers and early features
- **Support:** Priority customer service

For Restaurants

- **Increased Orders:** CraveMore members order 2x more often
- **Higher Spending:** Members spend 2.5x more annually
- **30% Earnings Increase:** Restaurants typically see 30% increase in earnings
- **Promoted Placement:** Restaurants featured to members

8.6 Membership Analytics

Member Behavior

- Order frequency: 2x higher than non-members
- Annual spending: 2.5x higher than non-members
- Retention rate: Significantly higher
- Lifetime value: Much higher than standard customers

Restaurant Impact

- 30% average increase in restaurant earnings
- Higher order volumes
- Better customer relationships
- Increased visibility

Part III: Operations & Workflows

9. Ordering Process

9.1 Complete Order Journey

Step 1: Discovery & Selection

1. Customer opens Crave'n app or website
2. Enters delivery address or selects pickup
3. Browses available restaurants
4. Filters by:
 - Cuisine type
 - Delivery time
 - Price range
 - Dietary restrictions
 - Ratings
 - CraveMore benefits
5. Selects restaurant

Step 2: Menu Browsing

1. Views restaurant menu
2. Sees item details:
 - Name and description
 - Price
 - Images
 - Dietary information
 - Modifier options
3. Adds items to cart
4. Customizes items:
 - Modifiers (size, toppings, etc.)
 - Special instructions
 - Quantity

Step 3: Cart Review

1. Reviews cart contents
2. Sees order summary:
 - Itemized list
 - Subtotal
 - Service fee (if applicable)
 - Delivery fee (if applicable)
 - Estimated tax
 - Estimated tip
 - **Total**
3. Applies promo code (if available)

4. Adjusts quantities or removes items
5. Proceeds to checkout

Step 4: Checkout

1. Delivery Method Selection:

- Delivery (to address)
- Pickup (at restaurant)

2. Address Information:

- Delivery address (saved or new)
- Special delivery instructions
- Leave at door option
- Contact phone number

3. Payment Method:

- Saved payment method
- New card entry
- ACH "Pay by Bank" option
- Cash (pickup only)

4. Tip Selection:

- Percentage options (15%, 18%, 20%, 25%)
- Custom amount
- No tip option

5. Order Review:

- Final order summary
- Total amount
- Estimated delivery time
- Restaurant contact info

6. Place Order:

- Confirms order
- Processes payment
- Creates order record
- Sends confirmation

Step 5: Order Confirmation

1. Order confirmation screen
2. Order number displayed
3. Estimated delivery time shown
4. Option to track order
5. Confirmation email/SMS sent

Step 6: Order Processing

1. Restaurant Notification:

- Restaurant receives order
- Accepts or rejects order
- Begins preparation

2. Driver Assignment:

- System assigns available driver
- Driver accepts order
- Driver notified of pickup location

3. Preparation:

- Restaurant prepares order
- Marks order as ready
- Driver notified to pickup

Step 7: Pickup & Delivery

1. Driver Pickup:

- Driver arrives at restaurant
- Confirms pickup
- Takes photo (optional)
- Starts delivery

2. In Transit:

- Real-time tracking active
- Customer sees driver location
- Estimated arrival time updates
- Customer can contact driver

3. Delivery:

- Driver arrives at delivery address
- Completes delivery
- Takes delivery photo (if leave at door)
- Marks order as delivered

Step 8: Order Completion

1. Delivery Confirmation:

- Customer receives notification
- Order marked complete
- Payment finalized

2. **Post-Delivery:**

- Rating prompt (restaurant and driver)
- Review option
- Reorder option
- Support access if needed

9.2 Order Types

Delivery Orders

- Delivered to customer's address
- Delivery fee applies (waived for CraveMore members)
- Real-time tracking available
- Driver assigned automatically
- Estimated delivery time: 30-60 minutes

Pickup Orders

- Customer picks up at restaurant
- No delivery fee
- No driver needed
- Estimated ready time: 15-30 minutes
- Customer notified when ready

9.3 Payment Processing

Payment Methods

1. **Credit/Debit Card** (via Moov)

- Visa, Mastercard, American Express, Discover
- Secure tokenization
- Saved cards for convenience

2. **ACH "Pay by Bank"** (via Moov)

- Direct bank account payment
- Lower processing fees
- Secure bank verification

3. **Cash** (Pickup only)

- Pay at restaurant
- Exact change recommended

Payment Security

- PCI-compliant processing
- Encrypted payment data

- Tokenized card storage
- Secure authentication
- Fraud detection

9.4 Order Fees Breakdown

Standard Order Fees

- **Food Subtotal:** Restaurant menu prices
- **Service Fee:** 10% of subtotal (lower for CraveMore members)
- **Delivery Fee:** \$2.99 base + \$0.50/mile (waived for CraveMore members)
- **Tax:** Applicable sales tax
- **Tip:** Optional, 100% to driver

CraveMore Member Fees

- **Food Subtotal:** Restaurant menu prices
- **Service Fee:** 5-7% of subtotal (reduced)
- **Delivery Fee:** \$0.00 (waived)
- **Tax:** Applicable sales tax
- **Tip:** Optional, 100% to driver

9.5 Order Modifications & Cancellations

Before Restaurant Acceptance

- Customer can cancel freely
- Full refund processed
- No penalties

After Restaurant Acceptance

- Customer can request cancellation
- Restaurant approval required
- Partial refund possible (restaurant discretion)
- May incur cancellation fee

Order Issues

- Missing items: Contact support for refund/redelivery
- Wrong order: Full refund or replacement
- Quality issues: Refund or credit
- Late delivery: Credit or refund (if significantly late)

9.6 Promo Codes & Discounts

Promo Code Types

1. **Percentage Off:** e.g., 20% off order

2. **Dollar Amount Off:** e.g., \$5 off
3. **Free Delivery:** Waive delivery fee
4. **Buy One Get One:** Special offers
5. **Total Free:** Rare, special promotions

Applying Promo Codes

1. Enter code at checkout
2. System validates code
3. Discount applied to order
4. New total calculated
5. Code usage tracked

Promo Code Restrictions

- Expiration dates
 - Minimum order amounts
 - Restaurant-specific codes
 - One-time use codes
 - Member-only codes
-

10. Feeder Workflow

10.1 Daily Feeder Routine

Starting Your Shift

1. Open Mobile App:

- Log in to Feeder mobile dashboard
- Verify account status (active, approved)
- Check earnings balance

2. Go Online:

- Toggle "Available" status
- System starts sending order offers
- Location sharing enabled

3. Review Dashboard:

- Current earnings
- Today's delivery count
- Rating average
- Available orders nearby

Receiving Orders

1. Order Notification:

- Push notification received
- Order details displayed:
 - Restaurant name and address
 - Customer delivery address
 - Estimated payout
 - Estimated distance
 - Estimated time

2. **Order Acceptance:**

- Review order details
- Accept or decline
- If accepted: Navigate to restaurant
- If declined: Next order offered

3. **Multiple Orders:**

- Can accept multiple orders if efficient
- System optimizes route
- Customer notified of delivery order

Picking Up Orders

1. **Arrive at Restaurant:**

- Navigate using in-app GPS
- Park legally
- Enter restaurant

2. **Confirm Pickup:**

- Show order number to restaurant staff
- Verify order contents (if possible)
- Confirm pickup in app
- Take pickup photo (optional but recommended)

3. **Order Ready Status:**

- If order not ready: Wait or contact customer
- If order ready: Proceed to delivery

Delivering Orders

1. **Navigate to Customer:**

- Use in-app GPS navigation
- Follow route optimization
- Drive safely and legally

2. **Arrive at Delivery Address:**

- Park legally
- Follow delivery instructions:
 - Leave at door
 - Hand to customer
 - Special instructions

3. **Complete Delivery:**

- Take delivery photo (if leave at door)
- Mark order as delivered
- Confirm delivery in app
- Earnings updated immediately

Between Deliveries

1. **Return to Hot Zone:**

- Navigate to high-demand area
- Wait for next order
- Review earnings

2. **Take Breaks:**

- Go offline when needed
- No penalties for breaks
- Return online when ready

Ending Your Shift

1. **Go Offline:**

- Toggle "Available" to off
- Complete any active deliveries
- Review day's earnings

2. **Review Performance:**

- Total deliveries
- Total earnings
- Tips received
- Ratings received

3. **Cash Out (Optional):**

- Instant cashout if needed
- Or wait for daily payout

10.2 Order Assignment System

How Orders Are Assigned

1. Proximity-Based:

- Nearest available driver
- Within service area
- Active and online

2. Performance-Based:

- Driver rating considered
- Completion rate
- On-time delivery percentage

3. Efficiency Optimization:

- Route optimization
- Multiple order batching
- Time-based matching

Driver Selection Criteria

- **Primary:** Proximity to restaurant
- **Secondary:** Driver rating
- **Tertiary:** Recent performance
- **Quaternary:** Availability status

10.3 Earnings Calculation

Per-Delivery Earnings

Base Pay = Delivery Fee × 70%
Tip = 100% of customer tip
Total Earnings = Base Pay + Tip

Example Calculation

- Delivery fee: \$4.49
- Base pay: $\$4.49 \times 70\% = \3.14
- Customer tip: \$5.00
- **Total earnings: \$8.14**

Daily Earnings

- Sum of all delivery earnings
- Tips included
- Automatically calculated
- Updated in real-time

10.4 Performance Metrics

Key Metrics Tracked

1. Delivery Completion Rate:

- Orders completed / Orders accepted
- Target: > 95%

2. On-Time Delivery Percentage:

- Deliveries on time / Total deliveries
- Target: > 90%

3. Customer Rating:

- Average of customer ratings
- Target: > 4.5 stars

4. Response Time:

- Time to accept order
- Target: < 30 seconds

5. Cancellation Rate:

- Cancelled orders / Accepted orders
- Target: < 5%

Performance Consequences

• Excellent Performance:

- Priority order assignment
- Access to premium features
- Referral program eligibility
- Bonus opportunities

• Poor Performance:

- Warning notifications
- Required retraining
- Reduced order assignment
- Temporary suspension
- Permanent deactivation (extreme)

10.5 Feeder Support During Delivery

In-App Support

- Access help chat during delivery
- Quick issue resolution
- Emergency contact
- Navigation assistance

Common Issues

- **Restaurant Issues:**
 - Order not ready
 - Wrong order
 - Restaurant closed
 - Contact customer support
 - **Delivery Issues:**
 - Wrong address
 - Customer not available
 - Access problems
 - Contact customer
 - **App Issues:**
 - GPS not working
 - App crashes
 - Payment problems
 - Contact technical support
-

11. Merchant Workflow

11.1 Daily Restaurant Operations

Opening Procedures

1. **Login to Merchant Portal:**
 - Access restaurant dashboard
 - Verify account status (active)
 - Check for notifications
2. **Review Pending Orders:**
 - New orders requiring acceptance
 - Order details and special instructions
 - Estimated preparation time
3. **Update Menu Availability:**
 - Mark items as available/unavailable
 - Update daily specials
 - Adjust pricing if needed

Order Management

Receiving Orders

1. Order Notification:

- Real-time notification (sound/visual)
- Order details displayed:
 - Order number
 - Customer name
 - Items and quantities
 - Special instructions
 - Delivery or pickup
 - Estimated delivery time

2. Order Acceptance:

- Accept order (default: auto-accept if enabled)
- Or manually accept/reject
- Set preparation time
- Customer notified

3. Order Rejection:

- Can reject if:
 - Item unavailable
 - Restaurant closed
 - Capacity issues
- Customer notified and refunded
- Reason logged

Preparing Orders**1. Kitchen Display:**

- Order appears on screen/printout
- Items listed with modifications
- Special instructions highlighted
- Timer started

2. Preparation:

- Kitchen staff prepares order
- Quality check
- Packaging
- Label with order number

3. Order Ready:

- Mark order as "Ready for Pickup"
- Driver notified
- Customer notified (pickup orders)
- Timer stops

Order Completion

1. Driver Pickup:

- Driver arrives
- Confirms pickup
- Order marked as "Out for Delivery"

2. Pickup Orders:

- Customer arrives
- Confirms pickup
- Order marked complete

3. Order Complete:

- Payment finalized
- Revenue recorded
- Analytics updated

11.2 Menu Management

Adding Menu Items

1. Navigate to Menu section
2. Select category
3. Click "Add Item"
4. Enter details:
 - Item name
 - Description
 - Price
 - Category
 - Image (optional)
 - Dietary information
 - Modifier groups
5. Save item

Editing Menu Items

1. Find item in menu
2. Click "Edit"
3. Update information
4. Save changes
5. Changes reflect immediately

Managing Availability

1. Item-Level:

- Toggle item availability

- Mark as sold out
- Temporarily disable

2. **Category-Level:**

- Disable entire category
- Useful for daily specials

3. **Restaurant-Level:**

- Pause all orders
- Set to "Closed"
- Emergency closure

11.3 Financial Management

Daily Financial Overview

1. **Today's Sales:**

- Total orders
- Gross sales
- Net proceeds (after commission)
- Pending payouts

2. **Commission Breakdown:**

- Current tier
- Commission rate
- Commission amount
- Net revenue

3. **Payout Information:**

- Next payout date
- Pending amount
- Payout history

Revenue Reports

• **Daily Reports:**

- Orders by hour
- Revenue by item
- Customer count
- Average order value

• **Weekly Reports:**

- Total sales
- Growth trends
- Top items

- Peak times

- **Monthly Reports:**

- Complete financial summary
- Commission statements
- Tax documentation
- Performance metrics

11.4 Customer Communication

Order Updates

- Automatic notifications sent:
 - Order received
 - Order accepted
 - Order being prepared
 - Order ready
 - Order picked up
 - Order delivered

Special Instructions

- Read customer special instructions
- Fulfill requests when possible
- Contact customer if clarification needed

Customer Support

- Customers can contact restaurant
- In-app messaging available
- Phone support (if provided)
- Issue resolution

11.5 Analytics & Insights

Performance Metrics

1. Sales Metrics:

- Total revenue
- Order count
- Average order value
- Growth rate

2. Popular Items:

- Best-selling items
- Item performance
- Category performance

3. **Customer Insights:**

- Customer count
- Repeat customer rate
- Customer ratings
- Feedback analysis

4. **Operational Metrics:**

- Average preparation time
- Order acceptance rate
- Cancellation rate
- Peak hours

Using Analytics

- Identify popular items
 - Optimize menu pricing
 - Plan staffing
 - Improve operations
 - Track growth
-

12. Customer Service Operations

12.1 Customer Support Structure

Support Channels

1. **In-App Chat** (Primary)

- Real-time messaging
- Available 24/7
- Quick response times
- Context-aware support

2. **Help Center** (Self-Service)

- Knowledge base
- FAQs
- How-to guides
- Troubleshooting

3. **Contact Form** (Email)

- Complex issues
- Detailed inquiries
- Documentation requests

4. **Phone Support** (CraveMore Members)

- Priority support
- Urgent issues
- Complex problems

Support Categories

1. Order Issues:

- Missing items
- Wrong order
- Quality concerns
- Late delivery
- Order not received

2. Payment Problems:

- Refund requests
- Charge disputes
- Payment method issues
- Billing questions

3. Account Management:

- Password reset
- Profile updates
- Address changes
- Payment method updates

4. Technical Support:

- App issues
- Website problems
- Login problems
- Feature questions

5. General Inquiries:

- Membership questions
- Restaurant information
- Delivery area questions
- Promotions

12.2 Support Response Times

Standard Customers

- **Chat:** < 5 minutes (business hours)
- **Email:** < 24 hours
- **Urgent Issues:** Escalated immediately

CraveMore Members

- **Chat:** < 1 hour (priority queue)
- **Email:** < 12 hours
- **Phone:** Available during business hours
- **Urgent Issues:** Immediate escalation

12.3 Issue Resolution Process

Step 1: Issue Receipt

- Customer contacts support
- Issue categorized
- Priority assigned
- Ticket created

Step 2: Investigation

- Review order details
- Check system records
- Contact restaurant/driver if needed
- Gather information

Step 3: Resolution

- Provide solution
- Process refund if applicable
- Issue credit if appropriate
- Escalate if needed

Step 4: Follow-Up

- Confirm resolution
- Request feedback
- Close ticket
- Log for analytics

12.4 Refund & Credit Policy

Refund Eligibility

- **Full Refund:**
 - Order never delivered
 - Completely wrong order
 - Significant quality issues
 - Restaurant cancellation
- **Partial Refund:**
 - Missing items

- Minor quality issues
- Late delivery (significant delay)

- **Credit:**

- Minor issues
- Service recovery
- Goodwill gestures

Refund Processing

1. Support agent reviews issue
2. Determines refund eligibility
3. Processes refund via Moov
4. Customer notified
5. Refund appears in 3-5 business days

12.5 Driver Support

Driver Support Chat System

- **Access:** Mobile app → Hamburger menu → Help 
- **Categories:**
 - Order Issues
 - Earnings
 - App Issues
 - Navigation
 - Ratings
 - General

Support Features

- Real-time iMessage-style chat
- Quick response templates
- Agent assignment
- Performance tracking
- Satisfaction ratings

Response Times

- **During Business Hours:** < 5 minutes
- **After Hours:** < 1 hour
- **Urgent Issues:** Immediate

12.6 Merchant Support

Support Channels

- **Merchant Portal:** In-app chat

- **Email:** merchant-support@cravenusa.com
- **Phone:** Available for higher tiers
- **Account Manager:** Platinum and Elite tiers

Support Levels by Tier

- **Bronze:** Email support
 - **Silver:** Priority email support
 - **Gold:** 24/7 support
 - **Platinum:** Dedicated account manager
 - **Elite:** Executive support
-

Part IV: Programs & Systems

13. Internship & Pathway Programs

13.1 Program Overview

Crave'n Inc. operates comprehensive internship and pathway programs designed to provide students with real-world experience, academic credit opportunities, and pathways to full-time employment.

13.2 Program Structure

Intern Roles

- **Technology Interns:** Software development, infrastructure, security
- **Operations Interns:** Delivery operations, logistics, quality assurance
- **Marketing Interns:** Digital marketing, campaigns, analytics
- **Finance Interns:** Accounting, financial analysis, reporting
- **Business Development Interns:** Partnerships, sales, growth

Program Tracks

1. Academic Credit Track:

- University partnership programs
- Academic credit awarded
- Supervised by faculty and company mentors

2. Paid Internship Track:

- Stipend or hourly wage
- Professional development
- Skill building

3. Pathway to Employment:

- Performance-based conversion

- Full-time opportunities
- Career development

13.3 Approved University & College Partners

The following institutions have existing relationships with Crave'n Inc. for internship and pathway programs:

Universities (Alphabetical)

1. Arizona State University
2. Binghamton University
3. Brigham Young University–Idaho
4. Cleveland State University
5. Cornell University
6. Drexel University
7. George Washington University
8. Georgetown University
9. Johns Hopkins University
10. Kent State University
11. Liberty University
12. Louisiana State University
13. Lourdes University
14. Michigan Technological University
15. New Jersey Institute of Technology
16. North Georgia Technical College
17. Northern Arizona University
18. Northwestern University
19. Pace University
20. San Jose State University
21. Syracuse University
22. Temple University
23. The Ohio State University
24. The University of Akron
25. The University of Oklahoma
26. The University of Tennessee-Knoxville
27. Towson University
28. University at Buffalo
29. University of California San Diego
30. University of Georgia
31. University of Illinois Chicago
32. University of Kentucky
33. University of Massachusetts Amherst
34. University of Miami
35. University of North Carolina - Chapel Hill
36. University of North Texas
37. University of Pennsylvania
38. University of Pittsburgh

39. Villanova University
40. Virginia Tech
41. Washington State University

Total Approved Institutions: 41+ universities and colleges

13.4 Intern Onboarding Process

Application Process

1. Student applies through university career center or Crave'n portal
2. Application review by HR and department managers
3. Interview process (phone/video)
4. Offer extended
5. Background check (if required)
6. Onboarding begins

Onboarding Steps

1. Welcome & Orientation:

- Company overview
- Program expectations
- Introduction to team

2. System Access:

- Portal access granted
- Training materials provided
- Account setup

3. Role-Specific Training:

- Department orientation
- Tools and systems training
- Initial project assignment

4. Mentor Assignment:

- Assigned mentor/manager
- Regular check-ins scheduled
- Performance tracking begins

13.5 Intern Portal System

Portal Features

- **Dashboard:** Overview of tasks, progress, performance
- **Training:** Access to training materials and modules
- **Work:** Task assignment and tracking
- **Performance:** Reviews, feedback, metrics

- **Academic Credit:** Credit tracking and documentation
- **Conversion:** Pathway to employment tracking
- **Exit:** Offboarding process

Performance Tracking

- Task completion rates
- Quality metrics
- Attendance
- Participation
- Reviews and feedback

13.6 Academic Credit Management

Credit Award Process

1. Intern completes required hours/projects
2. Manager submits credit request
3. University liaison reviews
4. Credit awarded
5. Documentation provided to student

Credit Requirements

- Minimum hours worked
- Project completion
- Performance standards met
- Supervisor approval
- University requirements fulfilled

13.7 Intern-to-Employee Conversion

Conversion Criteria

- Excellent performance
- Cultural fit
- Business need
- Intern interest
- Manager recommendation

Conversion Process

1. Performance review
2. Manager recommendation
3. HR review
4. Offer extended
5. Onboarding as employee

13.8 Program Benefits

For Students

- Real-world experience
- Academic credit
- Professional development
- Networking opportunities
- Potential employment
- Stipend/wage (if applicable)

For Universities

- Industry partnerships
- Student placement
- Curriculum alignment
- Research opportunities
- Alumni connections

For Crave'n

- Talent pipeline
 - Fresh perspectives
 - Cost-effective staffing
 - Community engagement
 - Innovation input
-

14. Referral Programs

14.1 Program Overview

Crave'n operates referral programs for all three stakeholder groups: Customers (Cravers), Drivers (Feeders), and Restaurants (Merchants). These programs incentivize existing users to refer new users to the platform.

14.2 Customer Referral Program

How It Works**1. Referrer Gets:**

- \$10.00 bonus when referred person completes first order
- Additional bonuses for multiple referrals
- Milestone rewards

2. Referred Person Gets:

- \$5.00 credit on first order
- Welcome bonus
- Special offers

Requirements

- Referred person must:
 - Sign up using referral code
 - Complete first order (minimum \$15.00)
 - Order must be completed (not cancelled)

Referral Code System

- Unique code generated for each customer
- Shareable via:
 - Link
 - Code
 - Social media
 - Email
 - Text

Tracking

- Referrals tracked automatically
- Status: Pending → Completed → Paid
- Dashboard shows referral activity
- Earnings tracked separately

14.3 Driver Referral Program

How It Works

1. Referrer Gets:

- \$50.00 bonus when referred driver completes 20 deliveries
- Additional bonuses for multiple referrals

2. Referred Driver Gets:

- \$30.00 bonus after completing 20 deliveries
- Welcome bonus
- Priority support

Requirements

- Referred driver must:
 - Sign up using referral code
 - Complete application process
 - Get approved
 - Complete 20 deliveries
 - Maintain good performance

Referral Code System

- Unique code for each driver

- Shareable via link or code
- Tracked in driver dashboard

14.4 Restaurant Referral Program

How It Works

1. Referrer Gets:

- \$100.00 bonus when referred restaurant completes 10 orders
- Additional bonuses for revenue milestones

2. Referred Restaurant Gets:

- \$50.00 credit
- Reduced commission for first month (promotional)
- Priority onboarding

Requirements

- Referred restaurant must:
 - Sign up using referral code
 - Complete onboarding
 - Get approved
 - Complete 10 orders
 - Generate \$500+ in revenue

14.5 Referral Program Management

Admin Controls

- Bonus amounts configurable
- Requirements adjustable
- Program activation/deactivation
- Analytics and reporting

Fraud Prevention

- Duplicate detection
- Verification processes
- Activity monitoring
- Anti-gaming measures

Payout Processing

- Automatic payout when requirements met
- Payment via:
 - Account credit (customers)
 - Direct deposit (drivers)

- Payout adjustment (restaurants)

15. Tier Programs & Commission System

15.1 Restaurant Commission Tiers

5-Tier Performance System

Tier	Icon	Monthly Volume	Commission	Key Benefits
Bronze		\$0 - \$10k	18%	Email support, Basic analytics
Silver		\$10k - \$50k	15%	Priority support, Advanced analytics, Featured placement
Gold		\$50k - \$100k	12%	24/7 support, Premium analytics, Homepage featured, Free monthly promo
Platinum		\$100k - \$250k	10%	Dedicated account manager, Custom reports, Priority placement, 2 free monthly promos
Elite		\$250k+	8%	Executive support, Real-time dashboard, Exclusive partnerships, Unlimited promos, Negotiable terms

15.2 Automatic Tier Upgrades

How It Works

1. System calculates rolling 30-day order volume
2. Compares to tier thresholds
3. Auto-upgrades when threshold reached
4. Commission update at start of next billing cycle
5. Restaurant notified of upgrade
6. New benefits activated

Upgrade Process

- **Calculation:** Daily rolling 30-day volume
- **Timing:** Upgrades at start of next billing cycle
- **Notification:** Email and in-app notification
- **Benefits:** Immediate access to new tier benefits

15.3 Custom Commission Overrides

When Used

- High-volume partner negotiations
- Promotional launch rates
- Contract-based pricing

- VIP merchant programs
- Chain restaurant bulk deals

Override Features

- Set any commission rate (0-30%)
- Add reason & notes (required for audit)
- Temporary or permanent overrides
- Expiration date for promotional rates
- Search & filter by restaurant
- Track who created each override

Override Priority

1. **Highest:** Geographic zone overrides
2. **High:** Individual restaurant overrides
3. **Medium:** Tier-based rates
4. **Low:** Default rates

15.4 Commission Calculation

Standard Calculation

```
Commission = Order Subtotal × Commission Rate  
Restaurant Net = Order Subtotal - Commission
```

Example (Silver Tier - 15%)

- Order subtotal: \$30.00
- Commission: $\$30.00 \times 15\% = \4.50
- Restaurant net: $\$30.00 - \$4.50 = \$25.50$

With Override

- Order subtotal: \$30.00
- Override rate: 10%
- Commission: $\$30.00 \times 10\% = \3.00
- Restaurant net: $\$30.00 - \$3.00 = \$27.00$

15.5 Revenue Analytics

Platform Revenue Components

1. Commission Revenue:

- From restaurant commission
- Varies by tier and overrides

- Largest revenue component

2. **Service Fees:**

- 10% of order subtotal (standard)
- 5-7% for CraveMore members
- Platform revenue

3. **Delivery Fees:**

- \$2.99 base + \$0.50/mile
- Waived for CraveMore members
- Platform revenue

Revenue Tracking

- Real-time analytics dashboard
- Monthly revenue breakdown
- Tier distribution analysis
- Performance by restaurant
- Geographic revenue analysis

15.6 Impact Simulator

Features

- Preview revenue changes BEFORE applying
- Adjust commission rate (slider + input)
- Adjust service fee (slider + input)
- Adjust base delivery fee
- Real-time calculations
- Impact warnings (> 10% changes)

Use Cases

- Testing rate changes
- Revenue forecasting
- Pricing strategy
- A/B testing preparation

Part V: Financial Systems

16. Payment Processing

16.1 Payment Processor: Moov

Crave'n uses **Moov** as its primary payment processing partner for all transactions.

Why Moov?

- Lower processing fees
- ACH "Pay by Bank" support
- Comprehensive merchant onboarding
- Secure payment infrastructure
- Real-time transaction processing

16.2 Payment Methods

Credit/Debit Cards (via Moov)

- **Supported Cards:**
 - Visa
 - Mastercard
 - American Express
 - Discover
- **Processing:**
 - Secure tokenization
 - PCI-compliant
 - Real-time authorization
 - Fraud detection
- **Fees:**
 - Modeled at ~2.7% of transaction
 - Varies by card type
 - Platform absorbs cost

ACH "Pay by Bank" (via Moov)

- **How It Works:**
 - Customer connects bank account
 - Direct bank account payment
 - Secure bank verification
- **Benefits:**
 - Lower processing fees (~0.5% vs 2.7%)
 - Better for platform margins
 - Customer savings potential
- **Fees:**
 - ~\$0.25-\$0.40 per transaction
 - Much lower than card processing

Cash (Pickup Only)

- Pay at restaurant
- No processing fees
- Limited to pickup orders

16.3 Payment Flow

Customer Payment

1. Customer places order
2. Payment method selected
3. Payment processed via Moov
4. Authorization received
5. Order confirmed
6. Funds settled to platform balance

Settlement Timeline

- **Card Payments:**
 - T+1/T+2 settlement
 - Funds in platform balance
- **ACH Payments:**
 - Next-day or same-day
 - Depends on configuration

16.4 Payment Security

Security Measures

- PCI-compliant processing
- Encrypted payment data
- Tokenized card storage
- Secure authentication
- Fraud detection systems
- Real-time monitoring

Data Protection

- Payment data never stored in plain text
- Tokenization for saved cards
- Secure API communication
- Regular security audits

16.5 Payment Issues

Failed Payments

- **Card Declined:**
 - Customer notified
 - Alternative payment method requested
 - Order not processed
- **Insufficient Funds:**
 - Customer notified
 - Retry option
 - Payment method update

Payment Disputes

- **Chargebacks:**
 - Moov notifies platform
 - Dispute process initiated
 - Evidence collection
 - Resolution tracking
 - **Refunds:**
 - Processed via Moov
 - 3-5 business days
 - Customer notified
-

17. Payout Systems

17.1 Driver Payouts

Payout Structure

- **Base Pay:** 70% of delivery fee
- **Tips:** 100% of customer tips
- **Total:** Base pay + tips

Payout Schedule

- **Daily Automatic Payouts:**
 - Earnings from previous day
 - Processed each morning
 - ACH deposit (next-day)
 - No minimum threshold
- **Instant Cashout:**
 - Available via CashApp or instant methods
 - Small fee may apply

- Immediate access

Payout Methods

1. **ACH (Standard):**

- Next-day deposit
- Bank account required
- No fees

2. **Instant RTP:**

- Same-day deposit
- Real-time payment
- Small fee

3. **CashApp:**

- Instant transfer
- Mobile app integration
- Convenient

Payout Processing

1. Daily batch created
2. Earnings calculated
3. Payouts processed via Moov
4. Drivers notified
5. Funds deposited

17.2 Restaurant Payouts

Payout Calculation

Restaurant Payout =

$$\begin{aligned} &\Sigma(\text{Order Subtotals}) \\ &- \Sigma(\text{Commissions}) \\ &- \Sigma(\text{Adjustments: refunds, chargebacks}) \\ &+ \Sigma(\text{Credits: promos, incentives}) \end{aligned}$$

Payout Schedule

- **Default:** Daily automated payouts
- **Frequency:** Every business day
- **Timing:** Morning processing
- **Method:** ACH to restaurant bank account

Payout Components

1. Gross Sales:

- Sum of all order subtotals
- Completed orders only

2. Less Commission:

- Tier-based or override rate
- Calculated per order

3. Less Adjustments:

- Refund reversals
- Chargeback deductions
- Manual adjustments

4. Plus Credits:

- Promotional credits
- Incentive payments
- Manual credits

Payout Processing

1. Batch created for payout date
2. Orders aggregated by restaurant
3. Commission calculated
4. Adjustments applied
5. Payout amount calculated
6. Processed via Moov ACH
7. Restaurant notified
8. Funds deposited

17.3 Payout Reconciliation**Daily Reconciliation**

- Moov transactions vs. platform records
- Payout batches verified
- Amounts matched
- Discrepancies investigated

Reporting

- Payout summaries
- Transaction details
- Reconciliation reports
- Exception handling

18. Financial Flow & Economics

18.1 Order Economics Breakdown

Standard Order Example (\$30.00 subtotal)

Customer Pays:

- Food subtotal: \$30.00
- Service fee (10%): \$3.00
- Delivery fee: \$4.49
- Tip: \$5.00
- **Total: \$42.49**

Platform Revenue:

- Commission (15% Silver): \$4.50
- Service fee: \$3.00
- Delivery fee: \$4.49
- **Gross Revenue: \$11.99**
- Less: Processing fees (~\$1.01)
- Less: Driver base pay (\$3.14)
- **Net Revenue: ~\$7.84**

Restaurant Receives:

- Gross sales: \$30.00
- Less commission: \$4.50
- **Net: \$25.50**

Driver Earns:

- Base pay: \$3.14
- Tip: \$5.00
- **Total: \$8.14**

18.2 Revenue Streams

Primary Revenue

1. Restaurant Commissions:

- 8-18% of order subtotals
- Largest revenue component
- Varies by tier

2. Service Fees:

- 10% of subtotals (standard)
- 5-7% for CraveMore members
- Platform revenue

3. **Delivery Fees:**

- \$2.99 base + \$0.50/mile
- Waived for CraveMore members
- Platform revenue (70% after driver pay)

Secondary Revenue

1. **CraveMore Subscriptions:**

- \$8.99/month or \$90/year
- Lifetime: \$249 (limited)
- Recurring revenue

2. **Processing Fee Margin:**

- Difference between charged and actual costs
- Minimal, but contributes

18.3 Cost Structure

Variable Costs

1. **Payment Processing:**

- ~2.7% for cards
- ~0.5% for ACH
- Per-transaction cost

2. **Driver Base Pay:**

- 70% of delivery fees
- Variable by order volume

3. **Customer Support:**

- Scales with order volume
- Technology-enabled efficiency

Fixed Costs

1. **Technology Infrastructure:**

- Cloud hosting
- Software licenses
- Development costs

2. **Operations:**

- Staff salaries
- Office expenses
- Marketing

3. Compliance:

- Legal
- Insurance
- Regulatory

18.4 Unit Economics

Per-Order Economics

- **Gross Revenue:** \$11.99
- **Variable Costs:** ~\$4.15 (processing + driver pay)
- **Contribution Margin:** ~\$7.84
- **Fixed Cost Allocation:** Varies
- **Net Profit:** Positive at scale

Scale Economics

- Fixed costs spread across more orders
- Better processing rates at volume
- Operational efficiency improvements
- Profitability improves with scale

Part VI: Technology & Portals

19. Main Hub & Portal Access

19.1 Main Hub Overview

The **Main Hub** (</hub> or hq.cravenusa.com) is the central access point for all company portals and systems.

19.2 Portal Access Structure

Public Access

- Customer app/website
- Restaurant registration

3. Growth initiatives
4. Community engagement

26.2 Driver Waitlist Strategy

Benefits

- Cost savings (\$30-40 per driver)
- Geographic control
- Sales leverage
- Quality control
- Scalability

Process

- Collect applications before launch
 - Defer background checks
 - Activate when ready
 - Professional experience maintained
-

27. Quality Assurance

27.1 Quality Metrics

Customer Satisfaction

- Order accuracy
- Delivery time
- Customer ratings
- Support resolution

Driver Performance

- On-time delivery
- Customer ratings
- Completion rate
- Professionalism

Restaurant Performance

- Order acceptance
- Preparation time
- Food quality
- Customer ratings

27.2 Quality Improvement

Continuous Monitoring

- Real-time dashboards
- Performance alerts
- Trend analysis
- Issue identification

Improvement Actions

- Training programs
- Process optimization
- Technology enhancements
- Partner support

28. Compliance & Legal

28.1 Regulatory Compliance

Food Safety

- Health permit requirements
- Food handling regulations
- Temperature controls

- Packaging standards

Labor Compliance

- Independent contractor classification
- Wage and hour laws
- Background check requirements
- Insurance requirements

Data Privacy

- GDPR compliance (where applicable)
- CCPA compliance
- Data protection
- Privacy policies

28.2 Legal Framework

Terms of Service

- Customer terms
- Driver agreement
- Merchant agreement
- Platform rules

Insurance

- General liability
- Commercial auto (drivers)
- Cyber liability

32. Document Revision History

Version	Date	Changes	Author
1.0	January 2025	Initial comprehensive Bible creation	Invero

Conclusion

This Crave'n Bible represents the complete operational knowledge of Crave'n Inc. It is designed to be a comprehensive guide that enables anyone to understand and operate the company from end to end.

Key Principles:

- **Completeness:** Every aspect of the business is documented
- **Clarity:** Information is presented clearly and accessibly
- **Accuracy:** All information is current and verified
- **Usability:** Designed for practical use, not just reference

Maintenance: This document should be updated regularly as the company evolves. All changes should be documented in the revision history.

Distribution: This document is for internal use only. Distribution should be controlled and tracked.

Document Classification: Internal - Comprehensive Operations Manual

Last Updated: January 2025

Version: 1.0

Status: Official Company Document

This Bible is the definitive guide to operating Crave'n Inc. If everyone in the company disappeared, a stranger could pick up this document and run the company flawlessly.
